PERSONAL PROFILE

As a passionate and dedicated computer science enthusiast, I am driven by a relentless curiosity to explore the frontiers of technology. With a solid foundation in theoretical concepts and practical applications, I aspire to leverage my expertise to contribute to cutting-edge research and innovation. My commitment to excellence, problem-solving skills, and collaborative spirit makes me a strong candidate for a Ph.D. in computer science.

EDUCATION

- PhD in Computer Science and Engineering | University of New South Wales, Sydney, Australia | Feb 2026 – Continue
- PhD in Intelligent Manufacturing and Robotics | Southern University of Science and Technology | Sept 2024 – Dec 2025 (Quit)
- Master of Engineering in Computer Science and Technology | Central South University (985-221), China | Sept 2021- June 2024
- Bachelor of Engineering in Computer Science and Technology | Guilin University of Electronic Technology, China | Sept 2017 - June 2021

PROJECT AND RESEARCH

- Electric Impedance Tomography EIT, designing circuits and doing research | February 2025 - Present
- Eye Massager, designing an electronic circuit and testing | October 2024 – March 2025
- Research on Cervical Cancer Classification using deep learning frameworks | September 2021- June 2024 | Masters Research
- Worked on prediction of snare protein sequence using machine learning | 2022

- COVID-19 chest x-ray classification | 2020-2021

EXPERIENCE

- **Microcode | Summer Intern | June 2020 - August 2020**

- Worked on machine learning projects, including data preprocessing, model training, and evaluation,
- Implemented algorithms for tasks such as classification and regression using TensorFlow.

AWARDS & ACHIEVEMENTS

- Won Guangdong Government Outstanding Student Scholarship | 2024
- Awarded University Scholarship | 2021-2024
- First position in 21-day clock in activity | CSU | 2022
- Outstanding Graduate Award | GUET | 2021
- Chinese language certificate (HSK level 4) | 2020
- 2nd position in Dragon Dance competition | 2019
- International student union | GUET | 2019
- Merit Partial Tuition Fee Scholarship | GUET | 2018-2021

CERTIFICATES

- Tsinghua University IEDE Certification | 2023
- Online summer computer concepts (OSCC) | 2023
- Mentor in a residential camp | Pakistan | 2023
- Member of Youth Parliament Pakistan (YPP) | 2022
- Participation Certificate in vlogging competition | 2019
- Participation Certificate of Summer Innovation Camp | Beihai | 2018
- Participation Certificate of National Youth Camp | Pakistan | 2015

SKILLS

Technical

- Technical Reports and Documentation
- Research and Data Analysis
- Data Visualization
- Database Management
- Statistical Analysis

Personal

- Communication
- Teamwork
- Public speaking
